## CORE COMPETENCY

### Passport

The Core Competency Passport is your guide as a Classified or APT staff member to begin mapping out your own personal journey for growth, development, and advancement. Look for upcoming opportunities offered in the following core competencies to start adding stamps to your passport and achieve competency certifications:

- Skills, Education & Technology
- Health & Wellness
- Diversity & Leadership
- Teambuilding & Networking
- Effective Communication & Customer Service
- Ethics, Compliance & Risk Management

## ENHANCING LEADERSHIP

### Program

The Enhancing Leadership Program is an intensive, 9-month academic year based program, open to all Classified and APT staff, designed to cultivate a diverse, motivated group of aspiring leaders. If you are looking to expand your role in leadership and create future opportunities for advancement, complete the Enhancing Leadership Program Application released July 1.

## SUPERVISOR DEVELOPMENT

### Program

This 10-week, intensive summer program focuses on developing current staff supervisors in the competencies of a 5-Star Supervisor. Engage in hands-on techniques, customized experiences, and receive constructive feedback on applying these skills. Ask your director how you can participate in this program.
