

## Professional Photography

*Arts, Humanities and Social Sciences*

***Average Salary: \$54,399\****

Capture powerful moments  
and keep them forever!

In Pikes Peak State's Photography program,  
you'll merge art and technology.

***Learn More***

### **Program Options:**

PPSC's Professional Photography program teaches you the technical skills, creative techniques, and industry insights needed to succeed. Explore the history of photography, learn from industry experts with real-world experience, and expand your skills through internships with top local photographers. As you earn your Associate of Applied Science (AAS) you can earn certificates along the way!

- Professional Photography, AAS
- Photography Post-Production and Output Certificate
- Portrait Photography Certificate
- Real Estate Photography Certificate

### **Transferability:**

Pikes Peak State College is the most affordable place in the region to gain an education that will empower your future. Save thousands of dollars in tuition by starting at PPSC and transferring to UCCS, CSU, or another one of our university partners.
