

Early Childhood Education

Business, Technology and Public Service

*Projected Growth: 6.5%**

Do you want to make a
difference in your community?

Pikes Peak State's Early Childhood Education program is addressing the severe shortage of early childhood educators across the state of Colorado.

Learn More

Program Options:

Not only are stipends available for students who enroll in the program but with stackable credentials, you'll be able to enter the industry quickly as you work toward your Associates of Applied Science (AAS).

Earn certificates like:

- Early Childhood Education, AAS
- Director Certificate
- Early Childhood Assistant Teacher Certificate
- Early Childhood Education Basic Skills Certificate
- Early Childhood Teacher Certificate
- Infant Toddler Certificate

**Projected Growth is calculated based on a combination of government-published sources at the national, state, and regional levels and a combination of the short-, mid-, and long-term trend lines. Data updated regularly by Lightcast®.*
