Program Options:

Earn a Bachelor of Applied Science (BAS) in Emergency Service Administration without needing specific courses in fire science, emergency medical services, or criminal justice. In times of crisis, leadership and expertise can mean the difference between recovery and disaster. Become a skilled and competent emergency response leader, equipped to preserve life and property during critical situations. Enjoy flexible and comprehensive coursework designed to fit your needs while preparing for a rewarding career.

- Emergency Service Administration, BAS

*Average Salary is calculated based on combination of all relevant occupations tied to the career, using the 50th percentile of workers (50% of employees make this salary or less). This data is updated regularly by Lightcast®.
