

## Dental Hygiene

*Health Sciences*

***Average Salary: \$83,585\****

Looking for a career that offers both flexibility and the chance to make a difference?

A Dental Hygiene degree is a win-win for you and for our community!

***Learn More***

### Program Options:

The Dental Hygiene program at Pikes Peak State prepares you to be a licensed healthcare professional that is skilled and an essential member of the dental health care team in preventive & therapeutic dentistry. The educational requirements for licensure are an associate degree from a CODA accredited institution and successful completion of a national and a clinical board examination. Learning in Pikes Peak State's Delta Dental Oral Health Career Center's cutting-edge technology will get you there!

- Dental Hygiene, AAS

*\*Average Salary is calculated based on combination of all relevant occupations tied to the career, using the 50th percentile of workers (50% of employees make this salary or less). This data is updated regularly by Lightcast®.*
