

Physical Therapist Assistant

Health Sciences

Average Salary: \$60,140*

Do you want to empower people to restore their quality of life?

Pikes Peak State's Physical Therapist Assistant program trains you to work directly with patients who are recovering from a disruption in their physical body.

Learn More

Program Options:

In Pikes Peak State's PTA program, you'll develop your ability to work under the direction of a physical therapist while helping others regain movement and manage pain through therapies like exercise, massage, gait and balance training, while you pursue your Associate of Applied Science (AAS).

- Physical Therapist Assistant, AAS

*Average Salary is calculated based on combination of all relevant occupations tied to the career, using the 50th percentile of workers (50% of employees make this salary or less). This data is updated regularly by Lightcast®.
