Program Options:

Pikes Peak State's Mathematics program explores how technology shapes modern math and connects you to fields like physics and engineering. You'll save thousands of dollars by starting at Pikes Peak State and transferring to a university after earning your Associate of Science (AS).

- Mathematics, AS

Degree with Designation:

The Degree with Designation is designed to allow you to graduate from a Colorado community college with a 60-credit Associate of Arts (AA) or Associate of Science (AS) degree, enroll with junior status at a Colorado university and complete a bachelor's degree in no more than an additional 60 credits (for a total of 120 credits).

***For more information on transferring after PPSC,
