

## Physics

Science, Engineering and Math

**Average Salary: \$99,498\***

Are you fascinated by how the world works?

A Physics degree from Pikes Peak State will equip you with the skills to explore careers in cutting-edge technology.

**Learn More**

### **Program Options:**

In Pikes Peak State's Physics program, you will explore chemistry, dive into computer science, and master the language of mathematics. You'll save thousands of dollars by starting at Pikes Peak State and transferring to a university after earning your Associate of Science (AS).

- Physics, AS

### **Degree with Designation:**

The Degree with Designation is designed to allow you to graduate from a Colorado community college with a 60-credit Associate of Arts (AA) or Associate of Science (AS) degree, enroll with junior status at a Colorado university and complete a bachelor's degree in no more than an additional 60 credits (for a total of 120 credits).
