

Spring 2023 Military Site Class Schedule

It is still time to take register for our late start classes! Military Site Classes do not have course or student fees -- **digital content/text fees may apply**. ENG 1021, ENG 1022, and COM 1150 use Open Education Resource (OER) books which means no out-of-pocket cost for books in these classes! If applicable, remember to submit your Air Force tuition assistance (TA) requests not earlier than 45 and not later than seven days prior to the class start date.
