

CLASS OF 2023
COMMENCEMENT

Saturday, May 13, 2023
Broadmoor World Arena

LETTER FROM THE PRESIDENT

Dear Graduates,

This is your day.

You've earned a degree or certificate on your way to a great career. I am incredibly proud to celebrate that achievement, and for good reason. Through your efforts, you've demonstrated tremendous grit, determination, and persistence.

You have the right stuff to be a college graduate! The World Arena is filled today with your champions: maybe your family, friends, co-workers, colleagues, faculty members, college staff, and others who are taking delight in your success.

This is always the best day of my job, one that demonstrates in caps, tassels, and unabashed optimism why we do what we do. We love this day because we believe in you, we support your dreams, and today shows us how incredibly fruitful that support and belief has been. Here you are, ready to take the steps on a new path, and that fills us with pride. We're so grateful for the privilege to have helped you get here.

You might be here in part because of your parents, your kids, your grandkids, and perhaps a special teacher who took an interest in you and sparked your imagination. And here you are. The cap and gown you wear, like your diploma or certificates, are outward symbols of the knowledge and skills you've gained at PPSC. These are the results of your hard work and perseverance. But do not let this moment be an ending. Let it be the beginning of a life filled with love, and the love of learning. The best people I know retain a student's curiosity, a student's ambitions, a student's never-ending thirst for knowledge.

Congratulations and good luck!

Lance F. Bolton Ph.D.

President | Pikes Peak State College
