LETTER FROM THE PRESIDENT

The 2026 Pikes Peak State College (PPSC) Commencement Ceremony marks a powerful moment – one that reflects your decision to invest in your future! Today we celebrate not only your academic achievements, but the persistence, passion, and determination that carried you across the finish line.

Each of you arrived at this moment by a different path. Some of you balanced work, family, and school. Others overcame unexpected obstacles or discovered new

goals along the way. While your journeys are unique, you share in the hard work, resilience, and commitment it took to earn this milestone.

As you celebrate, I encourage you to pause and recognize those who helped make this day possible. Your family, friends, classmates, faculty, and mentors who stood beside you, offering support, encouragement, and belief when it mattered most. To everyone who played a role in our graduates' success, thank you.

As you move forward – whether continuing your education, advancing your career, or pursuing new opportunities – know you carry with you the strength of your PPSC experience. You are prepared to contribute, to lead, and to make a difference in the communities you serve.

And remember, you are, and always will be, part of our college family. We hope you stay connected, share your journey, and continue to inspire those who follow.

Congratulations, Class of 2026. We are proud of you and excited for all that comes next!

LAND ACKNOWLEDGMENT

Pikes Peak State College acknowledges the original stewards of the land that our institution occupies. The Ute, the Cheyenne, the Arapaho, and many other First Nations People have unique relationships with this land and nearby land formations they revere as sacred. We recognize and respect their continuous presence in the shadow of the mountain for which PPSC is named. The ancestral Ute name is Tava which means Sun Mountain.

By acknowledging the horrific stories around the dispossession of these lands and the consequential inequities, we understand our privilege is not without consequence. PPSC is actively engaged in supporting the Native American community of the Colorado Springs region with educational opportunities and supportive measures to be successful. Together, we celebrate and honor the historical and contemporary contributions of Native Americans to Colorado Springs' thriving culture.

HISTORY

Pikes Peak State College's Rich History

Pikes Peak State College was established in 1968 as El Paso Community College, a two-year college offering three associate degrees. The first graduation was held in April 1970 at Bancroft Park, yielding 17 associate degrees and 70 certificates. Enrollment rapidly grew, in part due to the college's emphasis on military programs, which remain a significant aspect of PPSC. In 1978, the Centennial Campus was built, and the College Council approved a new name: Pikes Peak Community College.

Over the decades, population growth in the region drove demand for expanded educational services. As a result, the Downtown Studio Campus opened in 1986, Rampart Range Campus followed in 1998, and the Falcon Campus in 2008. In 2022, the Simulation Center reopened with state-of-the-art labs, helping students develop real-world health science skills.

On April 22, 2022, Governor Polis signed legislation authorizing changing the name from "Pikes Peak Community College" to "Pikes Peak State College." Pikes Peak State College better describes the college's trajectory, particularly as it pertains to the expansion of four-year degrees. Throughout all these changes, PPSC has stayed true to its historical roots by adapting to serve community needs first and foremost.

PPSC has grown into Southern Colorado's largest post-secondary institution, offering the most accessible and affordable education in the region. PPSC now offers nearly 150 certificates, 90 associate degrees and 7 bachelor degrees. PPSC is proudly designated as a Hispanic-Serving Institution and most recently, a First Generation-Serving Institution. We stand on a rich history and a legacy of student success.

2026 Keynote Address

Previously, Lonnie held several leadership roles with Penrose-St. Francis Health Services in Colorado Springs, including Chief Operating Officer, and began his career in the U.S. Army.
