PPCC Accuplacer Retest Policy

PPCC will honor Accuplacer scores provided on an Accuplacer Individual Score Report (ISR) for 5 years from the testing date. All scores reported on an ISR that aligns with PPCC's policies will be entered on the student's record. If scores do not align with PPCC's retesting policies, they will not be entered on the student's record at PPCC.

PPCC strictly enforces a retest policy of 1 retest per test section per semester. A semester is defined as one term census date to the next term census date. Students must also wait at least 24 hours from their initial testing date to retest. The retest policy is applied to tests taken both at PPCC and at other institutions.

If a student has more than one test score during a retest window, the first (oldest) test score will be recorded.

For your reference, the term retest windows are listed below:

February 5, 2021 – June 10, 2021

June 11, 2021 – September 14, 2021

September 15, 2021 - February 3, 2022

February 4, 2022 – June 9, 2022

June 10, 2022 – September 13, 2022
