Welcome, Arnie!

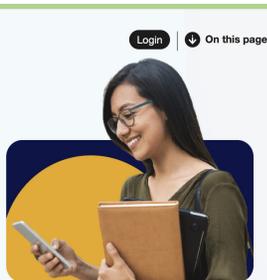

Pikes Peak Community College delivers your money or refund quickly and securely with BankMobile Disbursements.

BankMobile Disbursements is a service provided by BMTX, Inc. that helps colleges and universities across the U.S. deliver refunds to students.

We have been helping students for over 20 years! In fact, 1 in every 3 students in the U.S. received their refunds from BMTX, Inc.

To avoid any delays in accessing your money, you must select a refund option. The BankMobile Vibe Checking account is one of your refund options but you are not required to open this account to receive your refund.
