

## **1. Ron Carroll**

**Degree:** B.S. in Mathematics from UCCS.

**Bio:** Ron Carroll attended Pikes Peak State College and transferred to the University of Colorado, Colorado Springs, where he received a Bachelor's of Science in Mathematics. Besides a love of all things math, Ron has a strong passion for teaching. He is currently the Mathematics Department Chair at Vista Ridge High School where he also teaches AP Statistics, AP Calculus BC, and Honors Algebra II. He has previously taught Pre-Algebra, Algebra I, Geometry, Basic Statistics, and just about every other high school course. While he enjoys teaching all classes, he has an affinity towards Statistics classes.

## **2. Troy Johnson**

**Degree:** M.S. in Applied Mathematics from UCCS.

**Bio:** Troy Johnson has a Master of Science in Applied Mathematics and is currently a research assistant and PhD student at UCCS. Troy began his academic career at what was then Pikes Peak Community College before eventually becoming a math tutor at Pikes Peak and transferring to UCCS. Aside from mathematics, in his free time Troy enjoys reading and watching sports.

## **3. Annika Mote**

**Degree:** B.S. in Mathematics from UCCS.

**Bio:** Annika Mote began college at age 12, and graduated from the University of Colorado Colorado Springs as the youngest ever graduate at age 17 with a bachelor's in mathematics. She is currently working as a K-12 math tutor.

## **4. Caitlin Randall**

**Degree:** B.S. in Mathematics from UCCS.

**Bio:** Caitlin Randall is Project Manager at Canidium, a Revenue Operations Software Consultancy based in Fort Collins. Caitlin started her mathematical journey at Pikes Peak Community College, where she worked as a math tutor. Caitlin earned a B.S. of Mathematics from UCCS in December 2018, graduating Summa Cum Laude with Distinction, and was the Outstanding Undergraduate Student in Mathematics in her class. Caitlin started her career in 2019 as a software consultant at Canidium before moving into project management in 2024. In her free time, Caitlin enjoys a plethora of hobbies, including music, running, swimming, hiking, traveling, baking, yoga, and most recently, skiing.

## **5. Benjamin Randall**

**Degree:** B.S. in Mathematics with a Statistics Option from UCCS.

**Bio:** Benjamin Randall is a young actuary committed to excellence. He currently works as an Actuarial Analyst at Strive Health. He began his studies in mathematics at then Pikes Peak Community College with a full-ride scholarship from the Kane Family Foundation. This led him to the University of Colorado, Colorado Springs, where Benjamin earned his Bachelor of Science degree in Mathematics (with a focus on Statistics), graduating Summa Cum Laude. Since joining Strive Health in October 2023, Benjamin has focused on applying his expertise in data analysis to healthcare solutions. When he is not working or studying for actuarial exams, Benjamin enjoys classical piano, volleyball, hiking, biking, and spending time with friends.
