

Colorado Springs Parking Information

Per Parking Policy, all hospital affiliated employees, students, and instructors must register any vehicle they plan to park on Southern Colorado UCHealth property. Parking enforcement and vehicle registration compliance ensures our patients, visitors, physicians and employees have adequate, appropriate parking.

[Click this link to register your vehicle](#), or scan the QR code below, or search "Southern Region Vehicle Registration – "SmartSheet" on the Source.

Tip: Complete when near your vehicle or take a picture of your license plate.

*****Vehicle registration must be done prior to your first week of clinicals or you will receive a ticket.*****

*****Important: You are not able to park on the streets surrounding the Memorial Central Hospital campus within a six-block radius.** This is to ensure that the hospital honors its commitment to the local neighborhood by respecting the residents' rights to utilize the street parking around their homes or businesses.

UCHealth Memorial Hospital Central (MHC) The parking garage has limited staff parking and is not to be utilized by students or instructors except on nights and weekends (see below)

Students and Clinical Instructors at Memorial Central on Day and Mid- shifts MUST use the Memorial Employee Lot (MEL) off campus @ Pikes Peak Ave & Printers Parkway.

Night and Weekend Shifts only may park in the parking garage on levels 5 or 6 **ONLY**. You must register to park in the garage by using the parking instructions included on the first page of this document.
