Below 70%: 0 pts	Below 70%: 0 pts	Below 60%: 0 pts																		
Total: _____	Total: _____	Total: _____																		
GPA calculated from the following courses: ENG 1021, BIO 1006 or (BIO 2101+BIO 2102) <ul style="list-style-type: none"> A minimum grade of C is required for the coursework listed above. If the coursework above is repeated, no more than one D or F in each course is allowed within the previous 7 years. All required science courses must be completed within 7 years of admission into the LPN program. We will only look at the first two attempts at science courses within those 7 years and will take the higher grade. Prerequisite coursework must be completed at the time of application. Formula to calculate points: A = 10 pts, B = 6 pts, C = 3 pt Maximum points = 20 	20																			
Work activity: Actively working or have worked in a medical related field for the past 5 years. Example: CNA, MA, PCA, PCT, EMT, QMAP phlebotomist: 0-5 years = 5 pts, 6+ years = 10 pts (must include job description and signed letter of employment with application)	10																			
Total Points	60
